The JCP Student Foundation was created with a grant from the Youth Venture Program of Youth Service America, a national nonprofit resource center that partners with thousands of organizations committed to increasing the quality and quantity of volunteer opportunities for young people ages 5-25, to serve locally, nationally, and globally. Founded in 1986, Youth Service America's mission is to expand the impact of the youth service movement with communities, schools, corporations, and governments. In addition to National & Global Youth Service Day, which will take place on April 20 in 2007, YSA also hosts SERVENet ([www.SERVENet.org](http://www.SERVENet.org)), providing the largest database of volunteer opportunities in America.
