

Jones College Prep Home of the Eag

606 SOUTH STATE STREET – CHICAGO, ILLINOIS 60605 – www.jonescollegeprep.org

Dear Parents & Guardians:

I would like to invite you to an important meeting on **Thursday, February 3rd at 6:30 PM** in the Jones College Prep cafeteria for all parents and guardians. This is our annual meeting to discuss issues related to the federal No Child Left Behind (NCLB) Act and other important matters related to supporting your student's academic achievement. We will also nominate and elect members of the Parent Advisory Council (PAC).

The agenda:

- 1) Introduction to NCLB by a fellow parent
- 2) Elections for PAC
- 3) Presentation on upcoming parent technology training nights at Jones and a request for funds from the PAC
- 4) Jones' Early Identification, Intervention, and Monitoring System (EIIMS). This system is our prioritized list of the students struggling most and includes a systematic way to help support struggling kids.
- 5) Presentation on standardized tests like the ACT, SAT, and PSAT: Their purposes, what they measure, what they are used for, what their results mean and how to read results
- 6) Presentation of expenditures of NCLB money so far this year and any feedback parents may have on spending
- 7) Ideas for the development of the Parent Involvement Plan

Please plan to join us for these important conversations. As always, we want to ensure that we nurture effective partnerships between home and school. Your attendance at this event will help. If you have any questions, call the school at 773-534-8600. Thank you.

Best wishes,

Don Fraynd

Donald J. Fraynd, Ph.D.
